

Dr Rattan Lal addresses webinar organised by ISSLUP

■ Staff Reporter

INDIAN Society of Soil Survey and Land Use Planning (ISSLUP),

organised a webinar recently. World Food Prize laureate Dr Rattan Lal who is also a distinguished University Professor of Soil Science and Director of the Carbon Management and Sequestration Centre, Ohio State University, USA delivered a speech in that webinar on the topic “Soil Survey and Land Use Planning for Realising Sustainable Development Goals of the United Nations”.

He commenced his lecture with the history of soil survey in USA and appreciated the soil sur-

veywork done by ICAR-National Bureau of Soil Survey and Land Use Planning (ICAR-NBSS&LUP), Nagpur.

He categorically stressed to protect, preserve and restore soil health for the welfare of human being.

The viewers were vice-chancellors, Directors, academicians, researchers and students from across the globe. Dr Rattan Lal also interacted with the audience in a question-answer session after the speech.

Dr K Karthikeyan, Secretary of ISSLUP organised this virtual meet.

Dr Jagdish Prasad, President of the ISSLUP felicitated the laureate for his outstanding achievements. Dr P Chandran, Director of ICAR-NBSS&LUP briefed about the society and research accomplishments of the Bureau. Dr G P Obireddy proposed a vote of thanks.
